About This Edition

This digital edition has been restored and prepared by **Kurtz Vintage Vibes**, an independent project devoted to rediscovering, restoring and sharing vintage music, sheet music and recordings from the early years of recorded and published music.

Our restored scores are intended to return forgotten music to the music stand —not simply to preserve it as an historical curiosity. We encourage musicians to download these editions, print them, play them, perform them and introduce them to new audiences.

Kurtz Vintage Vibes
Vintage music rediscovered, restored and played again.
